“ *Bernadette was a person who valued friendship and friends more  
than one can comprehend. a fellow classmate of mine at St.  
Benedict in our number of 82 from the class of 1948, it was Bernie  
that was instrumental in holding our people together for our  
reunions these past 72 years. she will be sadly missed by those  
very few of us who remain.*

“ I have many memories of visiting Michigan and spending time with my great aunt, even sharing a Christmas with her family along with my grandparents. I also remember a time when She came and visited Arizona, and got me a Barbie set that I loved! On that same trip we also visited a western town (not old Tucson), and a ranch that I thought was pretty cool. Whenever I came to Michigan or if she was in my town she always made it a point to see me. I do appreciate all those memories you gave me and I know you are with your sisters, parents and your beloved son. What a blessing to have after leaving your life here. ❤️

“ Kind and generous lady...stress LADY! Very welcoming to a nephew-in-law and always sweet. She just didn't take too much teasing about her Irish roots! Guess who gets the last word?! Will miss you much, Aunt Bernadette tim
