“ Aunt Bernie had the most beautiful smile - I always remember her laughing! She definitely wasn't afraid to say what she felt and I always admired her for that. The last time I talked with her she spoke about how grateful she was to have had such wonderful people in her life to love.....how she was so 'lucky' that everyone around her was so special. Truly a unique woman. I think she was very special. XOXO

“ So many memories....you would breeze into the house on Wade have coffee with my mom and you would either be smiling that big smile and laughing or you would be "complaining" about something. And just as quickly as you breezed in out you would go because Patsy was going to be home. I have always admired you. And I will miss you so much.

Love Always;

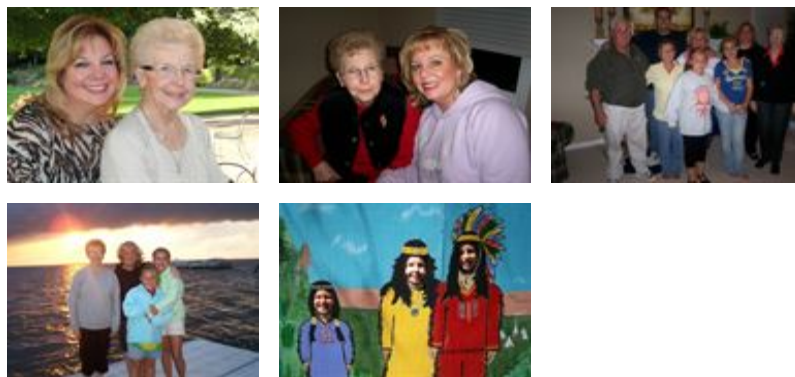

Andrea
