“ Sooo many memories in the 37yrs I've known booboo. The first that comes to mind is when i was little counting down the days to spend the weekend at with crystal and boo at her apt in Mount Clemens. We would go for a long walks exploring down town, her an bill would tell us stories and back to booboo's apt for movies all night or hair and make up! Bernie always treated me as her daughter and included me and my children in everything. Bernie, you will be deeply missed and remembered by so many❤️
