“ To all the Virgins and Deschners, we are so sorry for your loss of Bernie. We had many fun times with Bernie camping and vacationing and can't forget the dinners! Always had laughter when he was around. Bless you all.

“ Prayers for all of Bernie's family and friends. Bernie and my dad went back years ago from VFW, which created a friendship between Bernie and I. Bernie, I will always cherish the fact that you showed concern on how my dad was doing when he was ill, never will I forget you. You will be so missed, memories of you will never leave  
R.I.P. Bernie

I am so sorry I will not be able to attend Bernie's funeral, I would like you all to know that my spirit is there along with prayers and positive healing energy to all of you

“ To the entire Virgin family, what a tremendous loss you are feeling but know that he will never really be gone from your minds and hearts. He will always be with you in one way or another. Heaven has surely gained an angel. He was a wonderful man not only to his family but to his country and we are grateful for his service. He was always so kind to all of us in the Kapa family. May God Bless you and guide you all through your sorrow and hold you in the palm of his hand. With deepest sympathy....
