“ I met Mr. Chodkiewicz this past summer at resurrection as he tenderly cared for his wife's flowers. He seemed to be a soft spoken, kind individual who gave me reassuring words. When I didn't see him during the fall months I wondered about him. I'm happy for him to be reunited with his beloved wife, but my prayers go out to his family for their loss during this holiday season. It was a pleasure to have met him.##imported-begin##Janice DeMonte##imported-end##

“ *We were very saddened to hear about Ben's passing. Through the years we have come to think of all of you as family and although we are not as close as we once were, we too feel the loss. He was a good, kind man who will be missed by all. You were all very good to him and I am sure he felt your love and support throughout his life, but especially in these past several years and most recent months. God bless you all and know that Ben is at peace and with his bride, Joanne. They are together again and will watch over you and keep you safe.##imported-begin##Karen and Keith Ferrara##imported-end##*
