“ I worked at the Village. Your mom was always sweet. She would do her best to care for plants when she saw them near a window. She did talk about mushroom picking. She will be missed. God bless you all with sweet memories and deep peace.

“ This picture was taken about 70 years ago when my Mom came to the US. She was so proud of the dress and kept it for the longest time. She purchased the dress when she was living in France after the war.

“ She wasn't a perfect Mom, she wasn't a perfect person; she did her best. She was always our Mom and love each and everyone of us. Her children, grandchildren and great-grandchildren were her world. She loved my Dad with every beat of her heart and now at long last she has joined him for all eternity.

“ Mom, Steve and I are so very sad to hear that Ciocia passed last week. She was a dear lady who always had a special place in my heart as my Godmother. Dad always shared many stories about the two of them in Poland and when they came to the United States. I remember the house on Robinwood. May she rest in eternal peace and be reunited with Uncle Tony in Heaven. I will look for photos to place on this site in her memory. May God bless all of you with peace. With Love, Elizabeth Epperson

“ Grandma had a way of speaking honestly and always had a home remedy to cure something. I remember a time visiting her when I was still battling my pubescent acne and she wanted to smear egg whites all over my face. At the time it seemed crazy but now it's a thing! The photo of Grandma, Teresa (aka mom) and I was taken around May of 2012. Rest in peace, Grandma! I love you for everything that you were.

“ Matthew 5:4 says, *Blessed are those who mourn, for they shall be comforted. My memories are of summer, swimming and picnics at bald mountain park. Even thou mom didn't swim, she loved to go into the woods with dad to look for mushrooms. I love you and miss you. Teresa*
