“ Hello Norm,

Our condolences and deeepst sympathy to you and your family.

Your mothers' passing brings me to think of our old neighborhood in what may be construed as "hard times" but in times which where far less complicated then the present and in that hood we managed to have some great times. She was a big part of my memory in our growing years.

May she rest in peace!

P.S. Tried to reach you back in August at 810 751 6415 (good number???). Call me when you can at 248 489 1814.##imported-begin##Les & Adeline Wisniowiecki##imported-end##
