“ I'm really sorry to hear about Aunt Bettie. My heart goes out to all of you in her family. We will all miss her. She was always one of my favorite aunts. She has left us all with good memories of times that we have shared with her. I think of the times that we had as a family together for holidays, and celebrations and they are happy ones. I am thankful that we did have those times together and she has left me with those memories. Memories that we can share with our families, and it puts a smile on our faces.##imported-begin##Debbie Lipowski (Cherget)##imported-end##
