“ *Betty was part of the "Poker Group" that I've known since I was a baby. Such a warm and caring lady. Always had a smile on her face. I still have the cookbook she gave us for our wedding. Her words and stories about my dad at his funeral were so comforting, appreciated, and remembered. I know my mom will miss her dearly and I'm sure my dad and Dee W. are welcoming her in Heaven with open arms. Thinking of the Grewe family.*

“ Betty, Delores, and I met when St. Clement opened an elementary school. We all came from strong families and friends were an important part of our lives. However our parents made the work ethic more important!!

The Juip family was a wonderful loveing family- that's how Betty was. As I moved to Florida Florida, year's ago I lost touch until Facebook came alive. Carl you and Betty should be so proud of the example you have given us. God will hold Betty in the Palm of His Hand. RIP Betty

“ Betty was one of the loveliest, most caring persons that I've ever had the privilege of knowing. You could always count on her warm & friendly greeting, whether it was the best of times, or in the last few challenging months. She was a perfect example of a Christian woman, whose faith, family & friends were everything to her. Betty will be greatly missed by her wonderful family & all who knew her.

“ Betty certainly was one of a kind. Her heart was pure gold. I've known Betty for over 50 yrs. We worked together, and drove together. At that time, she lived in Romeo. She would drive to Warren to pick me up then on to Michigan Ave. and Trumbull in Detroit. During those years, and about 2 hrs total in the car, we shared almost everything in our lives. When she married Carl, and left work, we lost contact. Then, one Sunday, 25 yrs ago, an usher in church with a name tag Carl Grewe, I thought could this possibly be? And it was. Betty, God brought you into my life 50 yrs ago for a reason, then again later in our lives. I can't thank him enough. Prayers for you, Carl, and the entire family. Love you Betty!!!

“ Carl and Betty have been our Port Austin neighbors for over 20 years. We've watched our families grow and lived through illnesses and health together. I can't recall ever seeing them walking together not holding hands, which always brought me a smile. Betty meant so much to so many people but she was more than that to us. She was beautiful.

“ Aunt Betty’s radiant warmth and infectious joy were a constant source of inspiration for all who knew her. During my childhood, both she and Uncle Carl played pivotal roles in creating cherished memories, particularly through the adventures shared with Tanya, Jon, and Carla, who embody Aunt Betty’s spirit. Her unwavering love and support served as a lifeline during my mom’s final days. Despite the distance of Switzerland, Auxi and I aspire to reciprocate that strength by keeping the family in our prayers and holding close the enduring memories Aunt Betty gave us, which always remain at the forefront of our thoughts. Our thoughts, prayers and love are with you. – Auxi and Rich

“ Betty was truly one of the kindest and most loving persons I have ever known. Family and friends meant the world to her, and she was always willing to share a story (in great detail I might add!) about new things going on with her kids, grandkids, and large and loving family. Besides sharing stories, there was always delicious food/desserts that Betty was more than willing to provide! God bless her, and she will always be remembered by those who were blessed to know her.

“ I remember how beautiful Betty was at her wedding and am glad that in the last few years we were able to get together more often. Betty was full of life and had such great stories from her childhood that she shared. Listening to her and her sister JoAnn's recollection of the same event was a hoot. And you always knew whatever Betty brought to our gatherings was going to be so delicious; she was a great cook and I'll think of her often when I make one of her recipes. We'll miss her a lot. Love to all her family. Micki Juip

“ Aunt Betty was always warm and welcoming to me. When I first became a member of the family she would always invite me over for Thanksgiving. I was fortunate enough to see her this past summer and even though her health wasn't the best she was still cheerful and friendly. Rest in Peace Aunt Betty, you will be missed.
