*Betty, we were best friends way back in Junior High School! Your father, Amos, and my father, Stan, worked together for Chrysler Corporation over the years. We shared family memories when our children were young, and over the years that friendship remained. I am sorry that you are gone from your children, but I am happy that you are released to the Angels that were waiting to greet you!*

*Your friend, Char*

PS

“ To my Mother who "Loved Big", gave everything to her family and never asked for anything in return. She remained on the sidelines watching over her family, patiently waiting for family/friends to visit, and loving us all unconditionally. I know that she is at peace with God, and singing praises with the angles to our savior Jesus Christ.

*The word of God says,*

*John 14: "Do not let your hearts be troubled. You believe in God; believe in Me as well. In My Father's house are many rooms. If it were not so, would I have told you that I am going there to prepare a place for you? And if I go and prepare a place for you, I will come back and welcome you into My presence, so that you also may be where I am.... "*

*Matthew 19: "So the last shall be first, and the first last: for many be called, but few chosen."*

*With these passages I am at peace knowing that knowing that Mom has a place with our savior and has everlasting life.*

*And in her own words, "I Love You Big!"*

*Your loving son, Doug.*
