“ Sweetheart. She was always smiles when I went to her house to do her hair for her. She always made you feel like you were special. Will be missed a whole lot. Have to think of her with her sister and brother and having a great time and smiling again.

“ Dear Auntie Booty - that's what Dottie and I called her for many years when we were little. She was my favorite Aunt and I will miss her. I'm so glad that I was able to share Hawaii with her, Dottie, and Karen. We had a blast; touring the garden with her in Hilo was a highlight, as was watching the wind surfers off the coast of Maui. Her fall on our way out to the shore was a little unnerving, but she popped back up and we all laughed it off. The entire trip was a memory I will always treasure, including our zig-zag walk around the deck of the ship when we hit some rough seas. She was just a teenager when I was born and I don't remember a time she wasn't in my life. She will be in my heart forever. Much love to all my Kozak cousins. Millie
