“ I remember my 8th birthday when Betty and Al (my God Parents) came with my present wrapped up. They told me it could be a shovel but I would have to open it to be sure. It looked like it was a shovel and I was not happy. When I opened and found a pogo stick inside my frown turned upside down. Best present ever. Betty had a great sense of humor but it often required you to think before you got it. Lots of other memories that I will cherish 💕
