“ There are so many memories we shared with no photos attached. But here are a few of our favorites of Auntie. She loved to laugh and she had such a beautiful smile. On the last day we visited her in December 2018 we made her an angel crown...she is wearing the real thing now! We love you Auntie. Give our mama a hug for us ...you gals behave. We will see you again soon. Love from our family - Bologna, Bach, Pascany, Shepherd

“ Auntie...I have the puzzle you and mom worked on together hanging on my wall. I think of you each time I look at it...you loved to laugh. This is one of my favorite photos of Auntie and my mom. They laughed more that day than any other that I can remember. I know they are laughing together again right now. Love you Auntie.

Auntie and my mom laughed harder this day than I have ever seen! They were whispering and laughing and laughing. I am sure they have those same smiles as they are rejoicing in heaven. Love and Miss you two!

“ *She was part of my early life, and my best memory is that she was always making me laugh. And she taught me how to do my nails! I can only imagine how much she is enjoying heaven. Love to the family.* 💜

“ My Aunt Betty, her caregiver and I had a wonderful visit not long ago. One thing I will always remember from our visit is Aunt Betty's prayer to God. With a tear in her eye, she asked God to hold her hand. I love you, miss you and am grateful for your prayers while I was on the road expediting and sharing the Gospel. We were in this ministry together, and in Heaven, we will celebrate!

“ Betty was a good friend of my Mom's. Betty was sweet, loving and enjoyed music and puzzles. She always greeted me with a smile and a hug. I'll miss seeing her.
