“ We were shocked and very sadden to hear of the sudden loss of Betty Lou. We are sorry we are not able to be there to give our support during this very difficult time for you and your family.

We would like to share with you excerpts of a poem by Richard Fife...

*Love lingers. Her perfume
I smell all around me.
Her voice I hear soothingly in my dreams where she still lives.
She vanishes.
And I am overwhelmed with grief.
But her love lingers
and gives me strength.*

“ Dan,
Please accept my deepest sympathies on your mother's passing. I know the strong feeling you have always had about your family and realize that words are seldom a comfort during these sad times. Just know that you and your family are in my thoughts and prayers, and in those of our CBP family.

Warmest Regards,
