“ Dear Betty was my hair client for many years and a cousin to my husbands Aunt Margie Cyrul. She loved getting her hair done especially getting it frosted! She had a good sense of humor and always had a chuckle. Her last few years had been rough with treatments and finally this last round she had to stop coming to the salon when it affected her hair so much. God Bless Ray for his support through all this.

*Peace be with you Betty you are now at rest!*

*Holy Mary intercede with Jesus and all the saints in behalf of Betty and her family to give everyone peace.*

*Blessings*
