“ I am sad to hear of Bev's passing; another great retired clerical loss to the UAW. I knew Beverly from working at the UAW. Although I never worked directly with her, I knew her well enough to say that she was one of the nicest people you could meet. She was a fairly quiet, soft-spoken person but so sweet and always willing to help out anyone that needed her assistance with their job. My condolences go out to Kim and the family. May the wonderful memories of your mom give you strength in the days and months ahead.
