“ I went to high school with Beverly. We walked to school every morning and at noon when we were in grade school. We reconnected over the last two year with phone conversations. I have fond memories of her. I was saddened when I called her and heard she passed so sorry Victoria Lane

“ Beverly and I met on a senior trip. We sat next to each on the bus. That's when we became friends. She was a wonderful and caring person. She loved travel with the Nomads. She actually told me her life story that day. Her life was amazing. I used to help her with dinner a couple nights a week. She was fun to be with. She always says I made her laugh and that I was a hoot. I will miss her terribly. I loved her like a second mother.

“ My heart is saddened at the loss of my dear friend and second mom. I am so honored, privileged and blessed to have had the honor to care for such a wonderful lady. We shared many things together for which I will always be grateful. I was blessed to make many friends along the way. My dear Beverly was the most giving lady I had ever met. Why? Because it always made her happy. My dear Beautiful Beverly taught me so much along the way. I will always miss you my dearest Beverly, but you will forever be in my heart and never forgotten. I know the dear lord came and wrapped his arms around you and took you home. For this brings me great joy! I love you yesterday, today and forever! 😭❤️❤️❤�

“ I have had the honor of being Beverly's next door neighbor and friend the past 4 years. When we first moved into our home Beverly walked over to welcome us, later that week she brought over a cross to hang in our home. We fast became friends and shared many visits together in each of our kitchens and on each of our patios. What an incredibly beautiful heart and amazing life she lived. I have been truly Blessed to be a part of her life and will miss her dearly. May she Rest In Peace and may all that loved her find comfort in knowing one day we meet again.
