“ David, Sue and family, we extend our deepest sympathy to you on the passing of your dear mother and grandmother. We share your loss. We have such fond memories of our families growing up together at Warren First United Methodist Church. Your parents were our good friends, and we shared being a part of the music ministry of the church while members of the sanctuary and handbell choirs. Beverly was a faithful member of the United Methodist Women and served as president of that organization. She was a very thoughtful, caring person. She will be dearly missed by all who knew her.
