*Tammy, Donny, David, Sheri- your mom was a very "Special" lady to all that knew her. Growing up across the street from each other, our moms were very close and I have a lot of great memories. Our parents got together every Friday night to play cards. Either Bridge or Pinnacle. While us kids had our own fun... Remember when Karen got her very long hair caught in the fan on the landing and fell ALL the way down the stairs.....Life has taken us all in different directions but you all have remained close to my heart and thoughts. Your mom was a second mom to me and I know she will be deeply missed! Rest in peace Betty as you are reunited with the love of your life "Charlie". With Deepest Sympathy, Love and Prayers to you and your families.*
