Tribute Wall

“ To the Petty family and friends, may I offer my sincere condolences on the death of your loved one Beverly. Death is an enemy to all of us. However I find the Bible's promises to be very comforting. Our Grand Creator Jehovah God gives us a wonderful hope namely the prospect of living in a paradise on earth in peace and happiness and perfect health, in the very near future and seeing the resurrection of our dead loved ones(Revelation 21:4; Luke 23:43;John 5:28,29;Psalms 37:29) As you look forward to the fulfillment of these precious promises from our Loving Heavenly Father, may these Bible truths help make your present pain a little easier to bear. Again my deepest sympathy to you.##imported-begin##Mrs. Harris##imported-end##

“ *Bev and my Mom, Merlyn Green, were tablemates and friends at Sanctuary. I got to know Bev when I visited Mom and I enjoyed getting to talk with Bev on those visits. She was a very nice person and she liked to see my grandson (she always had something for him from the store she ran at Sanctuary). I will miss our talks and her smile!*###imported-begin##Shelley Jankowsky##imported-end##
