“ Dear Batcho Family,
I would like to extend my sincere condolences to each of you. Although we are not acquainted personally, we share the pain of losing a loved one in death. May you find comfort in knowing that just as Jesus received power from his heavenly Father to raise back to life his close friend Lazarus (John 11;43,44), he will soon use that same power to resurrect our loved ones to live forever right here on earth under peaceful conditions "where death will be no more." (Rev. 21;3,4; John 5;28,29; Psalm 83;18). Please read and draw strength from God's promise of the resurrection hope during this difficult time and the days to come. Take care,##imported-begin##valerie thompson##imported-end##

“ *Bonnie, Our sister, our friend. We will miss you oh, so much. Only a
friend like you would have done the things that you did. For the
warm affection and the sense of humor we shared and we
respected each other. Recalling treasured years, the laughter and
the tears. No gift that coule be bought could match the joy you've
brought to us. May blessings by the score lay at the front of
heaven's door. For making dreams come true when we found a
frield like you. Love you Sis! Marcie and Mernie###imported-
