“ I just found out about Brad's passing. I worked w/Brad at Henderson Chevrolet for several years. What an amazing man. He always had a smile on his face and great attitude towards life. The world will miss his shining light. It was an honor to work beside him. My prayers go out to his family for their tragic loss. Rest in Peace, sir.

“ Bradly Lipke, my friend and Brother who shared 1st through 12th grade with me. The wonderful memory's are many my friend, from running track at Grant junior high, to playing many baseball games on the playground, and graduating from Osborn High in 1976, the big Bicentennial year! I'll never forget you and those wonderful memories my friend! Rest in peace until we see each other again.

“ Brad was such a fun loving, kind colleague. He always had a smile on his face. I remember the year at UI that we all dressed up for Halloween. Brad dressed up as a sassy Indiana Jones. When I think of him I will always remember his fun spirit.

I am going to be out of town on Saturday, but I wish to extend my condolences to Brad's loved ones. My thoughts and prayers will be with you.

“ Brad was a great guy and a good freind he fought a long and couragous battle. I was very fortunate to be able to spend some time with him and Dawn at the Elks Club a few years ago and was so impressed with how strong and upbeat he was about his illness, he was truly a hero. Unfortunatly I will be out of town on Saturday and will be unable to attend his memorial but please know that you will all be in my thoughts. He will truly be missed.
