“ Words cannot begin to express the sadness I feel at the passing of a fine co-worker and good friend.

I retired in 2004 after almost 18 years at Whittaker/Whittar/Samuel. I knew Brad for all of those years both at W. Chicago and Detroit. He was a great guy to work with and to know on a personal level.

As I do about every 2 years, I returned this year to Michigan to visit family and friends and, of course, my extended family at Samuel. I interrupted Brad's workday for about a half hour and we talked about work, our families, and where Kevin Sorgeloos had gone after leaving Samuel. I asked that he let Kevin know that I had asked about him and Brad, as usual, graciously agreed to do so. During our visit, Brad was charming and witty, and I thoroughly enjoyed our brief time together. I am so glad that I stopped to see him as I now have fond memories of our last conversation as well as all of the times before.

Although I did not have the pleasure of knowing you and your children, Michele, I offer my sincere sympathies for the sudden and untimely loss of your husband and partner and your children's father.

To you and your children I offer my heartfelt prayers that you all may receive God's peace and love and pray that it may help to sustain you through these trying times.##imported-begin##Kay Stigleman##imported-end##

“ Michele, Melissa and David,
I can't begin to imagine the void that has been created in all of your lives. We have all lost a true friend and partner. If memories are what help us through these trying times, than I am blessed to have over 30 years to help me cope with the loss of my brother(in crime). The ski trip to Iron Mountain, all the ball games in Chicago and our annual worm wash(fishing trips) to the Chain of Lakes. Michele, you and Brad were always gracious hosts that made Laurie and I feel right at home. Please know you and your family will always be in our prayers and thoughts. Brad, "Accused but never convicted". Good-bye my friend.

“ Michele, please except my most heartfelt prayers and condolences. I've known Brad for more than 10 years. I first met Brad while visiting the Chicago office. My first impression of Brad was that he was pretty cool for an older guy! After he moved to the Detroit office, i really got to know him a lot better. At work he was one of the most professional people i knew. He was very knowledgeable in his job and never hesitated to help others in need. Out of work, we shared our enthusiasm for the outdoors and the many adventures they brought. I will always have great memories of the times we played golf, went fishing, and white water rafting together. I can honestly say he is one of the finest human beings i've ever known and I am honored to be able to say that I knew him. He will be missed by many! Please do not hesitate to contact me if you or your family need anything. Sincerely, Lance Greene###imported-begin###lance greene###imported-end###

“ Michele, Melissa, & David,

Words cannot express the loss that we all feel who knew and worked with Brad.

I can only imagine your pain but maybe it helps a little bit to know how well respected and genuinely liked Brad was by everyone who came in contact with him.

No one tested Brad's patience more than I did with all the crazy assignments over the years...Plant Manager in West Chicago, then Morton Grove, and finally the move to Detroit. He rose to every challenge and made it look easy. He was the guy you gave the job to when it had to be done right. And he did it with kindness and a smile....Always a gentlemen and a professional to the core.

He leaves a void in our company and our hearts that will never be filled. He set a standard that we will never forget.

My deepest condolences and sympathies,

Pete.##imported-begin##Peter Stephens##imported-end##

“ Michele, Melissa, David & Family - I am so, so, deeply sorry for your sudden & incredible loss. I had the pleasure and wonderful experience of working with Brad for 10 years at Samuel. In fact, my career in the steel business started with talking to him on the phone countless times a day while he ran the W.Chicago plant. As a Rookie, he had me chasing all his stock orders in Detroit and running every which way for him expediting all day long. His sense of humor was fantastic and he constantly would lighten the stress of the day with a joke or just his calm and pleasant demeanor. Looking back, I think initially I learned most of the steel products, grades & processes from Brad's teaching and helping me navigate our inventory. He was always the "go to" guy and the "sturdy rock" that would make things happen. I had the utmost respect for him and admired him in many ways. Once he was transferred to Michigan I thoroughly enjoyed working with him in person on a daily basis. We had much in common and shared a love for boating and often exchanged many stories of weekend adventures. He was a great friend, an excellent resource and the kind of guy I would do anything for. He will be dearly missed by many more people than you can imagine. Have faith that time will heal your pain and that he will remain in your hearts & minds always and forever. Our thoughts and prayers are with you all at this most difficult and tragic time. Take care, Dave & Jennifer Iwick.##imported-begin##Dave Iwick##imported-end##

I would look forward to my monthly visits with Brad to review customer issues, and take the occasional road trip together. “ Michele,
I feel a cut so deep that I fear the pain will never subside. As a steel industry associate, Brad was a consummate professional. As a friend and trusted comrade, he was so much more. The times Brad took us all to the Bear games. The times we played cards together. And the week I spent with Brad and Al in Canada. Those memories will always come to mind when I think of Brad.
