“ I have many memories of Brenda! We always had so much fun, whether dancing to a band on Saturday nights, Brenda loved to dance, and I have many memories of being up north with her! She was always happy and smiling! She was a great cook also! Kyle was lucky to have her as a mom! I luv u, Brenda, and will miss u! 😞

“ She was a vibrant soul, one who literally lit up the room whenever she entered. She always brought a smile to everyone's face. Brenda was full of joy was and always eager to help out, no matter what the problem was. She thrived, though, in her own way—always keeping busy, never feeling sorry for herself, Brenda was a warm, compassionate and vibrant woman who always went out of her way to help others—no matter what. She loved to cook and she was great at it. Draw strength from her. Make her proud.

“ I am so saddened and shocked about your mother passing. We were best of friends at the age of 13, we meet in school and were together nonstop until high school when I moved. We laughed together more than I ever have with anyone - had more fun and were goofier than you can imagine! We even had a double date for Prom! I loved her dearly, what a great friend she was. She was soooo proud of you, you were her shining achievement in life - and you were such a great son to her, I am so proud of you, you were everything she dreamed of in a child! I know she is in heaven, watching over you now, she will be with you forever, no more pain and healthy once again. May God send his Angel to you to comfort you and help help the ache in your heart. Love, Ronda

“ Dear Kyle, I am sending my deepest sympathy in the loss of your mother. You two had a very close and special relationship together. You were her rock, you were her everything. She loved you from the bottom of her heart. I remember how happy she was when she found out she was pregnant with you. I had just become pregnant with Janna, too. You two are only 3 weeks apart. We often spoke about the joy and struggles of raising our children. Brenda, may you rest in peace. You've been struggling with illnesses for a very long time. I will keep you both in my thoughts and prayers.
Love, Aunt Cheryl
