“ *Brenda was one of the first friends I made when I started working at the Detroit Arsenal. I was new to the state and she told me all about the area. She was so helpful and nice. I looked up to her as she quickly became my role model and somewhat of an "Auntie" figure for me. I really appreciated the relationships she had with her daughters. I hope she is no longer suffering and walking around in Heaven free of all that ailed her. She will truly be missed by all who knew and loved her.*

God Bless the Sweeney family!
