“ Dear Brian. It's me David your neighbor and best friend when we were just teenagers going to high school in Warren. I feel the same as all do here. But even sadder because I was going to find where you live and come see you after 50 odd years of absence. I Just missed one of my best friends as a kid. But forever not missed in my heart and soul and memories. After reading all the kind dedications here, it brought a smile that you grew up as a good man with that same smile I knew as a kid. We went on camping trips, fished and rode our bicycles often. Your favorite snack back then was BBQ chips and pistachios. I have to tell you I cried for a few days that I missed you all these years only to find out that you passed. The military took me away from Michigan and I ended up in Oklahoma. I think everyone's favorite BFF is usually the one they grew up with. Big "HUG" and I'll always remember your laugh, smile and upbeat personality. Love ya brother!! David Nichol

“ *Angela, Carmel, myself and our partners, are deeply saddened at the news of Brian’s untimely passing. Brian was extremely proud of his Irish connections. My wife and I went to the States in 1992. At a later time, Angela, myself and our partners had the privilege to be there for his Mum and Dad’s Golden Wedding anniversary. The Dziurda family and their extended family welcomed us with open arms and, as expected, Brian was always to the forefront of any event or gathering. The memories of these very enjoyable times will forever be in our hearts. In particular, we will never forget his infectious laughter which could light up any occasion.*

God bless you, cousin
Rest in peace

“ I work at GDLS and I am deeply saddened to hear, Brian has gone home to be with our heavenly Father. I met Brian about two years ago when I was advised to go see the expert; regarding a question I had pertaining to a particular part. From that time on there was never a time that when we passed each other that Brian didn't extend a kind hello. It was as if once you met Brian; you were greeted as if we had been friends for some time. I will miss Brian's kind smile; that always touched a place in my heart. You always knew Brian had an open door; helping hand and an open heart. And I only knew Brian for a little while. Family and Friends of Brian; God Blessed you with one of His special son's.
We will see him again. When you least expect it; there will be tears; smiles and laughter as you remember this special person in your life.
Memories are one of God's beautiful gifts and treasures.

“ I am so sorry to hear of Brian's passing. I worked with Brain for many years at GD. He was a solid guy, and he knew his job with amazing knowledge and skills. I know it will not be quite the same at work without him. I will miss talking to him about the yard, plants and the weather. Rest in Peace Brian.

“ I work at GD as a mobility and mechanical engineer. My first contact with him was about bolts and nuts standard. He is an expert on all sorts of bolts for military applications and very helpful on your questions and concerns. He gave me a straight answer and work around for some special requirements. It's very sad to lose him at work. My thoughts and prayers go with his family.

“ I work at GD but I am not a co-worker of Brian. I was one of his many friends. I knew him from numerous conversations we had about our cats. He shared a picture of his "Louie" with me. What a beautiful cat. Brian once gave me a kitty cuddle bed to give to my two cats. Brian was such a generous and thoughtful person. He was fun to talk with because he made me laugh. Brian....you will be greatly missed by so many people!!! My thoughts and prayers are with your family during this very sad time. May you rest in peace my friend.

“ I have not seen Brian since a teen as he walked around the Dziurda family home- but, I have heard wonderful stories about him from my life long friend Carol, Brian's sister. Any man who has a tenderness for animals and took care to feed them and make sure that they were cared for - is a good soul. My condolences to Carol; And to Brian's wife, Ann and his children and grandchildren- And to Dennis and his family and all of those who will deeply miss Brian. Godspeed.
