

## Brian D. Lorenz

April 23, 1943 - April 28, 2025

Brian D. Lorenz passed away peacefully, surrounded by his family, on April 28, 2025. Having been drafted in the Vietnam War, he served as a construction surveyor, mathematics instructor, and on the battlefield. After his proud and patriotic service, he utilized the G.I. Bill to graduate from Michigan State University and became a lifelong Spartan.

Having lost his own parents at such an early age, Brian became extremely devoted to his wife's parents, caring for them throughout their senior years.

Brian loved to travel, having taken road trips to dozens of national parks nationwide with his wife. Hesitant to ask for directions, he viewed the occasions of getting lost as part of the journey and adventure.

Having spent his professional career in finance and accounting, he applied his disciplined and rigorous approach with business finance to his personal finances, often to the chagrin of his family.

A strong advocate of his children's education, Brian invested nearly ten years supporting, volunteering, coaching, and attending his children's Science Olympiad tournaments throughout elementary, middle, and high school.

Brian is preceded in death by his parents, Leonard and Juanita, and his

brother, Richard. He is survived by his wife of over 47 years, Carole, and their children, Kevin (Whitney Ames) Lorenz and Kaitlyn Lorenz.

In honoring his own wishes, Brian requested no formal memorial service. For anyone wishing to honor his memory, the family would appreciate donations to Vietnam Veterans of America.
