“ Dear Michael, from the first day I met you I fell in love with you, you were my protector and true love, from our beautiful daughter to this last year riding bikes together, going to the Detroit river front days I will never forget your sparkling eyes or that great laugh of yours, you will always be in my heart and watching over me, I love you now and forever, Denise##imported-begin##Denise gates##imported-end##

“ If we could just turn back the hands of time....Even for a few moments. I will certainly miss all of the laughter we've shared. And your warm smile will be forever engraved in my heart. You were definately one of a kind and will be missed by many, especially me !!!

“ *Michael, using the words from a verse contained in one of the songs by the pussycat dolls. "I hate this part right here" Saying goodbye, I know we have to let you go, and the time is now. Doesn't make it any easier to do. We love you, and will miss that charming smile of yours, along with that fun personality you possessed. All our Love, Mike. ##imported-begin##Kathy Deanovich##imported-end##*

“ *Dearest Michael, I will miss you so very much, with you goes a bigger part of me than you ever knew, in this life we shared here on this earth. It is the things in life we love the most, that we find the hardest to let go of, when that time comes. It is now that time, for us to let go of you so that you can begin your journey anew and move on to where you need to be. We love you so much, brother dearest. You are missed so much, but you won't be at all forgotten. Much love Michael ##imported-begin##Kathy Deanovich##imported-end##*
