“ We didn't talk much but we did play football together. He was a beast on the field and even off the field, he worked hard and just did his best. Never heard anything bad or ill or Bruce, most of everyone knew him and rocked with him. Hurts my heart this the first thing I hear about him since graduation. Hope he's at peace and sending my condolences to his family and loved ones.

“ Bruce was a very kind hearted guy and was respected by everyone. We would talk a good bit in the weight room and the hallways as well. I haven't talked to him since high school but my heart goes to out to his family. Gone too soon. Rest easy buddy 🙏🙏

“ My son went to high school with Bruce. They played football together and would hang out on occasion. Every since we heard the news we have been praying for his easy transition, peace and comfort for his family. I used to see Bruce at edge gym and he would always make sure he came up to me and say hi. Such a bright light gone too soon.

“ Growing up all throughout our many years of school together Bruce was always the most kindhearted down to earth person I've ever known. He was always so positive, supportive and there when you needed him. All of the fun memories ranging from hanging out together in the playgrounds in elementary school to having lunch together in high school. Bruce brought so much unconditional love and joy into my life. I remember us seeing each other the past summer in a crowded bar and running towards one another and hugging so tight for so long. Then talked about how our lives were after graduation. I pray he is in a better place now. I pray for Bruce's family and girlfriend. Until we all meet again ❤️. I Love you Bruce :) Thank you for so many great memories together. God bless. May his soul rest in eternal peace.

“ Oh Bruce. This one stings so much. Bruce was my favorite patient that I got to know. Bruce was the kindest, sweetest and funniest patient I got to know, I have no doubt he's already cracking jokes in heaven. His positivity going through such a tough time in life has taught me a life long lesson. I'll always remember Bruce anytime I find myself thinking I have it bad. Bruce always kept a positive attitude and it was an absolute honor and pleasure getting to know Bruce and his family. I'm so incredibly heart broken and I send all my love and prayers to the Nguyen family.
Rest easy sweet Brucey, you were such an incredible human.

“ I’ve known Bruce since I was a little girl in elementary school. We’ve grown up together our whole lives. We would call each other brother and sis, because that’s what it felt like we were. Bruce was the man who walked in a room and immediately lit it up. His smile and spirit could brighten absolutely anyone’s day. He was so good at that. He was there for me through some of the toughest times in my life and always kept me positive. He was someone who always made me feel better, was there for me, had my back always. That is the kind of man he was. He was so loyal to the people he loved, which is many people because his heart is so big. Even during his toughest times, he continued to stay so strong and still wanted to make sure others were okay. He constantly put others before himself. My condolences go out to his family, girlfriend, friends, and truly anyone who crossed paths in his life, because if you knew Bruce you loved him.

“ Bruce was a teammate, classmate & friend of mine. His death pierced my heart when I first heard the news. He was always a joyous and kind friend to everyone. Always made people laugh, never hurt anyone and always made sure to look out for his friends. God took a great human from us but I hope his eternal resting place is filled with the same joy and happiness that he brought to others. Rest peacefully forever my friend 🖤💛

“*Bruce is one of the easiest patients to talk and open up to. He never complained, He always remembered small details about my life, and always asked how I was. I am so lucky to have met a person like Bruce. We would always talk about football, video games, and our loved one's. I always had a smile on my face when I was assigned to be his nurse. Love you Bruce, go lions!*”
