

Byron B. Berglund

March 5, 1944 - February 9, 2023

Byron B. Berglund was born in Mt. Clemens, Michigan on March 5, 1944 and passed away on February 9, 2023. He was three weeks shy of his 79th birthday. Byron and his older sister, Karen, grew up in Roseville, Michigan and attended Roseville Public Schools. In his senior year of the class of 1962, Byron was the president of the Honor Society and was the first chair clarinet player in Roseville High School Band. There he met his high school “Sweet Heart” (Anne Caldwell) who he married in June of 1966. Anne and Byron have been married for 56 years.

After receiving his bachelor degree in education from Wayne State University he became a Roseville teacher. He taught grades 6th, 5th, and 4th throughout his 40 and a half years at Lincoln Elementary School. Byron continued his own education and received a Masters and Ed Specialist degrees during the 1970s. Then, his greatest joy came when his daughter, Carrie Anne, was born in 1981.

The family moved to New Baltimore in 1986 so their daughter could attend The Anchor Bay School District where his wife was a teacher. Since his daughter became a student in Anchor Bay he took on the challenge of running for a position on the school board. He served as a member for 8 years and was able to hand his daughter her graduation certificate in 1999. In addition, because his daughter was in Anchor Bay’s marching/symphonic Bands, he

was also “The Voice of the Marching Tars” for 15 years.

His daughter has been married to John Romine for 16 years and they live in California with Byron’s two wonderful grandchildren, Jonathan who is 9 and Alexandra who is almost 4 years old. No matter how he felt, they could always put a smile on his face.

Visitation for Byron will be from 11:00 a.m. to 2:00 p.m. on Sunday, February 12, 2023 at the Wasik Funeral Home located at 35259-23 Mile Road in New Baltimore.

“ My thoughts and Prayers are with his Family and friends. Me. B was my favorite teacher! Not only because of his kindness and patience’s but he truly cared and inspired me to learn! He made learning fun while motivating us! I will always remember his Science experiments and reading books to earn points to win prizes! A truly great Man and Teacher! God Bless you! RIP

“ Condolences to the Berglund family. Mr. Berglund was my favorite teacher. I even still have the end of elementary school memory booklet he created for us. He wrote a story about each student in the future and many came true. So many wonderful memories and I’m still in touch with many of my classmates and we all adored and respected him.

Janice Roberts - February 11, 2023 at 04:53 PM

CR

Janice,
Thank you for sharing your memories of my dad. Hearing stories about the positive impact he had on his students has been a source of comfort for my family during this difficult time.
Take care,
Carrie

“ My heart goes out to Anne and Carrie and family. Byron was always outgoing and a smile. We were in Band Boosters together in the late 1990's and early 2000 and it was a fun time and Byron was the Voice of the Marching Tars for sure. I lost my husband 6 months ago and know the pain you and your family are going through. Heaven has another angel..

“ Dear Ann and Carrie,
I was saddened to hear of Byron’s passing. I remember being in RHS (Class of 1962) band with him. We both played the clarinet. He was always gentlemanly and kind. I even substitute taught for him when he was a teacher in the Roseville Schools. I am praying for the family. Please know that the Lord knows how we feel. “Jesus wept”. John 11:35

“ Mr. Berglund was a wonderful man and teacher. I was not the most outgoing person in school and he always found a way to make school comfortable and fun for me and the class. I can remember how interesting his teaching was and I’ll never forget it was presidential election time and we had mock voting booths and a election. He was a gentle smile to a room and I know he will be missed by his family, friends and colleagues. Rest in peace Mr. Berglund

“ Deepest thoughts and condolences to the Berglund family. I was a student of Mr. Berglund and he has made a lasting impression on my life. From sparking a love of science to igniting a creative side that has launched many of projects leading to awards and promotions in my career. I can pinpoint the exact projects that I still reference to teams I lead to this very day.... Potato batteries and creating hard covers for your own book reports. One final memory that I wish to share is having reinforcement of personal responsibility led by Mr. Berglund. His class store and reward programs in the classroom (Friday dodgeball point system) helped me learn young that you are responsible for yourself but you have the power to make an impact as a team. Thank you Mr. Berglund for helping shape and mold me into the person, mother and leader I am today. May you rest peacefully.

Samantha Murray - February 10, 2023 at 12:07 PM

CR

Hi Samantha,

Thank you so much for the kind words about my dad. Hearing his former students' memories have been such a source of comfort for my family during this difficult time. I'm so glad you enjoyed his projects because he loved them, too. I remember watching him grade those books when I was little. He would tell me about what his students did to prepare for them and I remember thinking they had to be fun to work on. We actually had one on display at his visitation. Again, thank you for sharing your memories. They are helping keep my dad's memory alive.

Take care, Carrie
