# Tribute Wall

“ Dear Tammy, Dear relatives,  
I am Ina, Birgit's daughter from Hamburg. Even though we have no active contact, Carl's death has saddened me and I would like to express my condolences to you. Carl and Bonnie were always present through Birgit and Moni and their stories and I also remember a visit to Hamburg when I was very young. Jason was there, I think. That was very impressive for me.  
It is always hard to lose a loved one, but there is hope that he can live on in memories. He will be remembered by me as well.  
Best wishes to all of you, Ina
