“ *Dear Nadia and family....it is with much sadness that I am sending my condolences to you and your family. I just heard of Carl's passing, and it brought back memories of him as a little boy. He was always smiling, and a joy to be with. Uncle Gene and I had so much fun with all of the boys. I lost Gene a few years back, and I'm still trying to live without him. I miss Dennis, and Daryl, and will certainly pray for Carl. My heart goes out to you and your family, but my faith in the good Lord tells me we will see them all again. I hope you remember me, because I remember beautiful you. Aunt Dolores Kale My husband Gene and Tessie were brother and sister.*

Carla,

*I am so sorry to hear about the loss of your father. From everything you had shared about him I know he battled courageously and you were with him each step of the way. No doubt he cherished your encouragement and support. You gave him the greatest gift of all-- happiness and unconditional love. May you find strength in knowing that others are praying for you and your family and may all your memories bring you peace and comfort.*

*Sincerely,  
Robin Allen*
