“ Louise, Sandy, Cindy, Danny and your families, I pray for your strength and comfort during this difficult time. May the wonderful memories of Carl bring you comfort and peace.

Uncle Carl was so full of life, always making people smile, laugh and telling wonderful stories. He brighten up any room he walked in. He was one of a kind, God really broke the mold with him! I'm so thankful for the time I was able to spend with him. He will be forever in my heart!###imported-begin##Kitt Gryskiewicz###imported-end##

“ *God called home 2 brothers on a Sunday Morning. I'm trying to remember all the laughing and good times at all the family events, but my heart is breaking. I'll always remember Uncle Carl calling me Big Dee everytime he would see me. I guess he knew that made me feel special for some reason.*

Uncle Carl was on my prayer list for the last several months. My prayers are with his family during this difficult time in their lives.###imported-begin###Denise Macker###imported-end##

“ Those of us raised in the Catholic Faith believe that being chosen to be a Godparent to a precious baby is a wonderful honor. However, when my parents chose Uncle Carl to be my Godfather I do not think that they realized that I would be the one who would always feel blessed and honored. I have always been proud to say that this wonderful man is my Godfather and I will forever be humbled to have received such a special gift. Although my heart is breaking and I can not imagine a World without Uncle Carl's laughter and joy, I am taking comfort in knowing that he will live on in all of us. And, to "The Godfather", as you have honored me in life, I will forever honor your memory. I Love You.

Your Goddaughter,

Kristy###imported-begin###Kris Mozham-Londberg###imported-end##

“ Carl was more than a Father-in-law to me in the 23 years that I knew him, he was more of a father who I could get advise from or help from either big or small you could always count on him. I couldn't have asked for a better father-in-law or wanted one. I'll always remember those words Jethro my main man. words can't express the loss that I feel, I wish I knew when will see each other again so I can count the days down I just know it won't be soon enough. my last words were to you I love you, I wish I had said them more often I just hope that you knew. I'm going to miss you and keep you in my heart never forget me because I'm not going to forget you. and give Lisa a big hug and kiss for me. till we see each other again love you Dad.###imported-begin###Jeff Guerra###imported-end##

“ *Compadre Carl R Seguin passed away in a beautiful state of grace. Fortitude was given to my Compa, As he awaited for Our Lords coming, He expired with great humility I will always remember Carl with a smile. My son was very fortunate to have had Carl Seguin as a Father-law, Good men like my compadre are very few on earth, ##imported-begin## Dolores Guerra Sox and Gary Sox Sr. ##imported-end##*

“ *Growing up I always thought of Uncle Carl as my favorite uncle. He made me smile and laugh, and his joy for life was evident to all of those around him. I will always remember how he would serenade us with his rendition of "One Thousand Beads"... how he called me Kimmie the Coo Coo and how, on one trip to Vegas everyone thought he was "Burt Reynolds" and he played right along with it like it was no big deal. He was such a loving joyful spirit and I will miss him terribly. My thoughts and prayers are with his family and loved ones at this time. We were truly blessed to have known him - thinking of him will always bring a smile to my face. Love "Kimmie the Coo Coo", his niece, Kim Marcum ##imported-begin## Kim Marcum ##imported-end##*

“ I was really hoping I wouldn't have to live through these next few days for a long long time but God has a reason and a purpose for everything he does and I trust in Him that he will take care of my papa and although we miss him very very much, hes with God now, probably choreographing a dance with my Aunt Lisa, his parents, and his brothers and sisters. We're all not gonna be the same without you Papa. & I love you more than words can express.
