“ Carol and I walked to school many mornings, as we lived close to one another. She was one of the sweetest, brightest, most delightful persons I've ever known. I know she will be missed by all who knew and loved her. Prayers for comfort for her family.

“ Carol was such a kind lovely person. She always had a smile and something nice to say. She was a little ray of sunshine.

“ On Carol Gambino:
As a fellow educator teaming up with Carol to service students, I saw dedication, sensitivity, and perceptive insight in action. I learned. I was inspired.
As a fellow patient in a cardiac care group, Carol confronted health issues with grace, courage, and lightened our load with humor and empathy. I was encouraged.
As a friend we dined together, had picnics, swam at her lake and we were generously hosted by husband Brian and Carol at their Irish Hills cottage. Carol brought prayers and cheer to my wife Cathy hospitalized with cancer. I was loved.
In March the thief cancer abruptly robbed us all of this admirable, beautiful human being. I was devastated.
May God guide us all as we travel this sorrowful path of grief.
Pax vobiscum.

“ Carol was undeniably one of the nicest people I have ever known. I was lucky enough to call her my cousin and know her all my life. Carol was intelligent, funny, warm, a good listener, and had a real zest and appreciation for life. Unfortunately, over the years Carol and I rarely got a chance to visit as we lived in different states and our usual form of communication became the annual Christmas card where we sent good wishes and filled in our lives over the past year in a few sentences.

The last time I saw Carol was in August 2014 at a family wedding. I was so happy that Carol and I spent quite a while that evening talking, sharing memories and catching up. Carol was her usual wonderful self and we had a good talk. A sweet moment that evening was watching Carol and Brian dancing at the reception. One could feel the love they shared as they danced.

I will miss Carol and always regret that I did not have more chances to sit down and have a good talk with her. I will miss her wonderful laugh.

My thoughts and prayers go out to Brian, Brian and Kathy, and all her family.

Carol will truly be missed by all those fortunate to have known her.

“ Carol and Brian were our neighbors when we lived in Trenton. She was a warm and friendly person and I am so sorry she was taken too early. God bless the family.

“ I remember her very fondly, Mrs. Gambino was such a caring woman. If you needed to talk, she always made the time for you. I graduated from Woodhaven High School in 1991, and she went above and beyond with helping me get into college. Because of her help, and all the hard work she put in, I was able to have many different options in where to go, and multiple scholarship offers. In all these years, I have remembered her kindness and compassion, and appreciate the positive impact she had on my life. Heaven is truly welcoming an outstanding lady.

I got to know Carol through her friendship with Mike at Woodhaven as well as the heart support group they belonged to. I first met Carol when she came to visit Me during a hospital stay. True to her kind nature we hadn't even formally met! I could see she was a lady full of grace from day one. Although our time together in recent years was less, I considered her the dearest of friends. My heartfelt sympathy to Brian and her entire family. Cathy Boucher

Carol was such a nice person and friendly neighbor. I'll miss her riding her bike and taking the time to stop and talk. Much too young. May her husband Brian and her son Brian take solace in the great memories they made together.
