“ Mom P. What you signed all your cards and letters to me. When I was in the Army and both my brother and I were deployed to war in the Middle East she wrote me with lots of encouragement and kept me up on how my mom and dad were doing. Those letters always meant so much to me. Every letter and Christmas card from the past 41 years meant a lot! She was always my second mom and will be missed so much! Dad P, Julie, Jeff, and the rest of her family you are in my thoughts and prayers! I will miss you Mom P till I see you again Love you!
