“ My sister and I called you “Auntie” Carole for as long as I can remember, and we never grew out of that habit. Thank you for always making us feel like family, and for the friendship you showed my mother and father. You will be missed by all of us.

“ Every memory of Carole brings a smile to my face. We shared recipe's, having coffee together and an occasional trip to the casino, as well as making jewelry together, talking and laughing. I will greatly miss my friend who always call me Mare instead of Mary. I'm am saddened at the empty place she has left in my life. Carole, rest in peace and be whole again. I miss your beautiful smile..

I have many great memories of my cousin Carole. We went up to the Upper Peninsula every summer as kids to visit my grandparents and my Aunt Lil, Uncle Archie, my cousins Carole, Sandra, and Don in Copper City. We also visited our cousin Phyllis, Uncle Arne and Auntie Aili in Dollar Bay. What wonderful memories we had. Before Don's eyesight became too bad he actually owned a 1955 Chevy Belaire. It was a beautiful car in two tone turquoise and white. For some reason Carole and I were chosen to drive to Calumet to pick something up. We got into that car and Carole looked over at me and said "wanna drive?" I said sure even though I was only ten or eleven years old! I drove from Copper City to Kearsarge before we pulled into the gas station there and she took over. That was Carole's attitude, no NO but "why not?" I will always have fond memories like those until I go to meet her once again!
