“ *It with great sadness that we say good-bye to Aunt Carol, though I take comfort in knowing that she is at peace with her husband and other family members now.*

*One of the things that I will always remember about Aunt Carol is her humor as she never failed to make me smile.*

*My Sister Kim and I were talking today and we can't remember a single time in our lives that we have ever seen her angry or heard her say a cross word about anybody. I can't say that about many people, but I can say that about Aunt Carol. She left nothing but fond memories and love in her wake.*

*She was a remarkable woman and a wonderful Aunt and the thought of her has always, and will always bring a smile to my face.*

*It is with great love in my heart that I will remember her. She will be missed so very much.*

*Big hugs to her Sister my Aunt Pam and to her sons and my Cousins Dave and Gary. I love you all very much. xxoo Rosie*
