“ *I was blessed to know Carolyn since I was 6 years old. First as the mom of Bill, Linda and Bobby then as my gym teacher, track coach and eventually my mom in law. We played softball together and then coached my oldest son's AYSO team together. Such a tremendous woman who I actually knew longer than my own mom. Casino with her and we picked up her sister, Edith. Another time Motor City casino did a take on Deal or No Deal in 2004 and I got to play the game. She was there with me and cheered me on. God Bless His newest Angel. Love you so much.*
