“ Dear Patti, Loss and grief are never easy or simple, but please know that you are being embraced by those both near and far. Times like these remind me of something Richard Bach wrote: "Do not be dismayed at goodbyes. Goodbyes are necessary if we are to meet again. And meeting again, whether in moments or lifetimes, is certain for those who are friends." Although only words, I hope they may bring you some comfort now and in the days ahead. Thinking of you and sending you positive thoughts and much love. Perry

“ Dear Patti and family, this is Angela from Bickford. We all loved your mother so much and miss her every day. We were so moved by your love and devotion to your mother until her last breath. She is at peace and with God now 🙏. I'm not able to attend her services but would like you to know I've made a donation to the Macomb Humane Society in her memory.
