“ *Surely we had the best NCO's of the Air Force in the 191st, and Cass was at the top of the list. I remember his cheerful personality herding people and airplanes around the flight line when I flew F-4s, and was blessed to have him as one of my Chief's when I became commander of the 191st CAMS. He and his fellow Chief's taught an old fighter dawg a lot about how to run a maintenance squadron. Sorry I lost contact with most of them. Cass always looked so young and sharp its hard to believe he's no longer with us.*

Our help is in the Lord Jesus.
