“ Dear Steven & Maria, I am so profoundly saddened by your Dad's passing. Cass was such an easy going and kind man. I only hope his transition was kind in return and that he is at peace. I know you are left with a big hole in your lives and your hearts are aching. May you find comfort in the fond memories of your Dad in the days ahead and dwell on the good times spent with him to get through these difficult moments. He was a wonderful man! “ My prayers are with you all Mrs. Woznicki, Steve and Marie. Many memories are shared in my heart and all the times your Dad was there to support us in our singing ventures. I feel your loss in a very personal way as you know. There are no words to express to you how sorry I am for your loss. Just know I am always here for you and embrace all the time you had to spend with him and hold that dear to your heart.

Love, Your Friend, Denise##imported-begin##Denise

“ Dad, I love you and miss you. Especially the times we were together either fishing or bar-b-queing to blowing up the back yard at the cottage! Your humor will be sorely missed.

Love,

Your son-in-law
