“ *What a great man. Cass told our boss at Cross Co. (who had a PHD) that he was a PHD also. A "Polish Head Designer"! We worked together for decades. My sympathies to his family.*

“ *Our deepest sympathy to the Gacki family. Both Clark and I worked with Cass at the Cross Company for many years. What a delightful gentleman! Cass and his band played at our wedding so many years ago. We have wonderful memories made during those years. We wish we could have come to pay our respects.*
