“ I have crossed paths with many, many people in my life, but very few have touched my heart the way that you have, Ma. You opened your heart and your home to my family and me, and picked up the pieces of my life and put them back together when I was beaten down and in total despair. You had a way of lifting the burden of my heavy heart with your compassion and grace without ever uttering a word. You were a source of strength and made me believe in myself because of your faith in me. It was no coincidence that our paths crossed, it was Divine Intervention. You always reminded me that God had a good plan for my life and I needed to be patient and wait on Him. You invented the "pay it forward", and I will never forget what you did for me and my family. I promise to keep that legacy alive and active. Thank-you for sharing your family with me, especially my best friend, Laura. She is a testimony of everything good that you are. I am sorry that we did not get a chance to say goodbye, but I know that you know how much I love you. Give my dad a kiss for me and may you rest in peace in the arms of our Father. We will laugh together again when the Father calls me home. God bless you, Ma. I love you. Vallie

“ Cathy was always a smiling face to see when she came to Martha T. Berry to deliver Avon. I ordered Avon from her for many years. So sorry to hear of her passing. Wonderful lady.

“ *My heart goes out to Bill, Laura and Daniel. You have had one very special lady in your life and know that she will be deeply missed. She was a great, caring cousin and much more to many people. I know what it will be like to miss a loved one, but know that you have a great support system in the people that surround you. Please understand why I could not attend the service, but I was there in spirit.*

“ It's with deep sadness to see a honest caring person leave our lives, especially someone who easily accepted us, made us feel at home, and soon accepted us into her extended family, no matter who we were. To those meeting her, first, she was Mrs. Lesniak, then later Catherine and Cathy, and finally, just Mom. Always friendly, always kind, always giving, asking nothing in return. Catherine (Mom) was that person for me, my wife and for many others.

At 82, she was clear minded, level-headed and amazingly computer literate. I used to truly marvel at this and would tell her so. Even at that advanced age, she still ran her own business, one that she'd had for many many years. Just amazing.

But Cathy didn't just leave us sad today, no, she left her mark on our lives, on my life, and an example of Jesus's love and sacrifice, something few people are.

Mom, I'll be a better person because of you and your example, so Thank you.

My respect and condolences to immediate family members, Bill, Laura and Daniel.

Always your,
Computer guy

“ Cathy was one of the most caring and loving persons that I have known. For many years she spent hours at MTB Nursing Facility with the residence and staff. The residence looked forward to her visits as she made them feel part of her family. She provided socialization, comfort, love and friendship. She kept her eye open for those in need and would not hesitate to provide what she could for them. She attended many group activities and provided donations from American veterans and community organizations. She made many friends among the staff and was well liked. Thank you so much Cathy for your love and generosity. You were a ray of sunshine to those in need. May the Lord welcome you with open arms and provide comfort to your family.

“ While my heart is heavy with sadness for Bill, Laura and Daniel, I know that Catherine is happy, smiling and finally without pain, reuniting with Ann and many others. She will always have a special place in my heart as Catherine made me feel so welcomed to the extended family the very first time that I met her. She indeed was a very loving, kind, and giving person. Family gatherings will not be the same without her there. We are so grateful that we were able to spend some special time with her and her family this past Christmas season. It didn't matter how she felt, she was always concerned about others. Rest in peace dear lady. You have a wonderful. caring family that will miss you dearly!
