“ *To my Aunt Cathy, I'm so glad I got to spend the time I did with while you watched us for all those years, it makes me feel lucky now. You shared your streak of whimsy with me which I now share with my own children, while thinking of you. I loved how well you told stories and I adored how you encompassed the 60's. You would bring your tape deck and collection and we would sing along to the songs that fit the mood of the day. I wish I could get stuck on the phone with you one last time. I love you! To everything (turn, turn, turn) There is a season (turn, turn, turn) And a time to every purpose, under heaven A time to be born, a time to die A time to plant, a time to reap A time to kill, a time to heal A time to laugh, a time to weep*
