“Kitty was such a joy to those who knew her, with her quirky sense of humor and most importantly to her always being willing to help out with whatever was going on. She was sooooo proud of her husband and her "musical" family and what they accomplished in their lives. We had many a get together both in our home and in the Buccaneer community where there was much laughter, snacking and most of all - singing!!!! We miss Jack and will certainly miss "Kitty". Our deepest condolences to her family. Dale & Jo Schofield

“ Besides being so warm and loving, Kitty had the best sense of humor. One weekend while the boys, Mike, Mark, Andy and Jordan, were preparing for their Brother 2 Brother competition our boys stayed all weekend to rehearse. We came to pick them up on Sunday and were greeted at the door by Kitty bound at wrists and ankles, with her mouth covered in duct tape! She begged us to take our monsters home because they were so mean to her! They were 11 and 8! They had the time of their lives back then. I'll always remember what a gracious and wonderful hostess she was for every "Slamkaville". She and Jack were such wonderful people. Love to you all
