“ *When I was younger, I use to get so excited to go to Uncle John & Aunty Cathy's house. I knew I'd get to play with Jack and Chad, there were many wrestling matches in the front room!*

It just always felt like family, and it was a joy growing in your house. Aunt Cathy, I wish you peace with the lord, and that your suffering is over.

Uncle John, it's been a while but you'll always be family in my eyes, and if there's anything I can do just let me know! I'll be praying for you.

Jack and Chad, it's been so long but I miss you guys and hope you are taking care of yourselves during this time and leaning towards the lord to help you through this.

Deepest Condolences,

Eric James & Family

“ *I would like to extend my deepest sympathy to John and all of the family. I was very saddened to hear my sweet friend lost her battle. We have known each other since the age of five. We reconnected on Facebook and got much closer. I hope that I was some comfort to her as John battled for his life. She was such a loving person and the kindest of women. Her family was everything to her. The grandbabies just were the icing on the cake. She was the definition of love. I know that she is with her mom and brother and not in pain. I am very happy that she called me friend. RIP Cathy and I pray we will meet again.*

“ *I'm so sorry for your loss Jack, Chad and Mr. Terry. Mrs. Terry was the mom to anyone requiring advice or guidance. May the entire family find solace knowing she was welcomed into heaven in the open arms of her mother and brother Tony. My deepest condolences to you all.*

“ Cathy was a long time friend. We met when Jack started kindergarten at Briarwood and she volunteered in the Computer Lab. She was an exceptional lady! She was a caring, hard working, helpful loving person. Loved working with her in technology and loved when we went to M.A.C.U.L. to learn what was new in technology concerning education. I will miss her beautiful smile. Rest in peace my sweet friend.
Love and prayers to John, Jack, Chad, and their families

“ Cathy has been one of my oldest and dearest friends for 59 years. We've been in each other's lives since kindergarten at Shadywood. The many years of great memories will always be cherished and never forgotten. Our friendship actually morphed into being more like family. Except for the years that I lived out of state, we've shared every special occasion, holidays and personal loss. The void I feel without her in life is huge and that special place in my heart that she held will never be replaced. Thankfully, the love and memories we shared will live on forever and I look forward to seeing my dear friend again when we reunite in heaven someday. All my Love Always, Larry St. Charles

“ Cathy was the glue of our "high school" group. She & I would fight over board/cards games from the teenage punk times playing Michigan rummy at her parent's kitchen table to games when we were all grown up at our own kitchen tables. I will sorely miss this force to be reckoned with.

“ Oh my goodness, we are so sorry for your loss John, Jack and Chad. Such a sweet lady and awesome cook....according to Michael who seemed to find his way to your kitchen quite frequently!! Referring to her as his second mom!! Working with you at the middle school was great swapping advice on how to get though raising our teen boys.
RIP dear friend...gone to soon. You will be sorely missed by all who had the honor of knowing you. 🙏❤❤
