Char, I will miss you so much, you had a passion for people and were like a butterfly flittering all over the place taking pictures and laughing and being a friend. I know Joe will miss you as well as the family. I am lucky to have been counted in as one of your friends. Praying for Joe and your family and all the friends as we walk in the shadows of your memory. Victoria and John Muzik

What a wonderful person. She was always cheerful and brought joy to any event. She introduced Jan and me and we've been good friends with her ever since.

If you were lucky enough to call her friend you were truly blessed. We will miss her dearly.

We'll miss our friend Charlene. She was always a positive spirit; something that's difficult to do for most. Karen and I were both drawn to her. God blessed all who knew her.
