“ To the Family, I'm deeply sorry for your loss. I knew Charlene extremely well as my Real Estate practice was in the building she so faithfully managed. I met her over 18 years ago and we developed an Amazing relationship the entire time. I spoke to her every day and prayed for her often. She was also very close to my brother. Charlene loved everyone and I mean everyone. She changed my life and gave support to me during the housing crisis by giving words of encouragement and granting me additional time to pay the lease. she had the most beautiful smile and laughter and was just wonderful to talk to. I truly Loved her and my heart is broken, much to soon. I remained in that building because of Charlene and stayed as long as God would allow. I can tell you that Charlene truly knew The Lord and Loved him, no doubt about that. I can also tell you that God loves her deeply. Charlene is with the Lord, no longer sick, tired, no more medication. She is alive and well. She made it Home. Have no doubt to where she resides, she is in Heaven and she lives. I did not know about this until today. I have cried and yet smile, me and my brother. I would love to speak to any one of the family members. She was crazy about her family, Truly loved you dearly, I heard all about everyone. God Bless you and I pray your peace. God will see you through. Love you Monique and Gary Carter 1-248-357-1755

“ Bill and I are thinking of you all and sending our prayers. I have so many memories of us together. From the playground at County Line Elementary to walking to class together at Fuhrmann Jr. High to Orchestra practice at Warren High School. That long walk between our houses. Concerts, countless dinners together, camping, holding each other's babies, crying together at our sorrows. I will miss her so. Farewell my dear friend. Until we meet again...
