“ I had the pleasure of knowing Mr. Copus for many years. He was the voice of the Itica Marching Band when I was a student, he handed me my high school diploma when he was UCS Board of Ed. president, and when he was the voice of the Stevenson Marching Band when I became a teacher. He had an unmistakable voice that let everyone know that the band he was announcing was important! His legacy in UCS is vast and he will be missed by many! R.I.P. Mr. Copus.

“ I am saddened to hear the news. His voice is the only voice I can imagine for our Mighty Marching Titans. Thankful for the memories he provided my son at all the games, Bandaramas, and competitions. Prayers of comfort during this time.

“ I can remember so many things about Dick, Janice and kids. The whole family did lots with us. One thing I remember is that Dick and my mom drove to U of M together. I can remember Mr. Copus always smiling , laughing and talking with my sister and I. Great childhood memories of Dick and family. Love and prayers for you all.
