“ I will never forget all the fun times with Uncle Chuck/Charlie especially at the sand dunes, tiger games, and family get togethers. Uncle Chuck and all The Gordon's are the best. He often kissed me on the cheek like a father to a son.
Rest in Peace
With love and condolences,

“ I will never forget when they were singing before they started he would always wipe the top of his shoes off on the back of his pant leg. We had so much fun with the Gordon family we thought of them as our family we had so much fun with them.

Gibbons family those were the good ole days! I love the memories that I have of Uncle Chuck. When I was young and we traveled all over to sing. When I got older he would always let me know when he was going to be in our area and I would meet so we could visit him. We love you and will miss you terribly.
